The College of Engineering Career & Experiential Learning Center is partnering with Pioneer Valley Habitat for Humanity to give you experiential learning in the community.

Pioneer Valley Habitat for Humanity is building its next house in Amherst, right next to campus

Habitat for Humanity builds homes, hope and community with all volunteer help.

Want to get involved? Help build a house? Build for 1 day or more. Need hands-on experience? Looks good on your resume

Attend a 1 hour orientation:

Thursday, March 3rd at 5:30 pm in the new Career & Experiential Learning Center (Marston 112)

Register at: http://HabitatForHumanityOrientation.eventbrite.com
