

MS & PHD's
November Drop-in Days!
Professional Communication: Practice & Polish

In a low key and stress free environment:

- ▶ **Sharpen, practice and/or enhance skills for elevator pitches, networking and interviewing.**
- ▶ **Develop increased confidence in showcasing your strengths and talking about your interests, projects and research.**

All MS and PHD College of Engineering majors who want to strengthen their communication skill sets are encouraged to drop-in on Wednesdays in November!

Wednesdays, November 2nd, 9th, 16th and 30th

3:30 -5:00pm

The Engineering Career Development and Experiential Learning Center
114 Marston

We look forward to seeing you!
