Career Fairs

Engineering companies can participate in a variety of career fairs throughout the year. These events provide excellent opportunities for employers to connect with engineering and STEM students.

PLEASE NOTE:
This year UMass Amherst will be separating engineering and computer science into two fairs. Each fair will have a separate registration, cost, and layout. If you would like to attend both fairs, you must register for each separately using the links below. All UMass students, including other STEM majors, are welcomed at both fairs and will have access to the list of employers attending each.

Registration for most of our career fairs are through UMass Handshake and links are provided below. If you do not have an account in Handshake, you can create an account using this link: https://app.joinhandshake.com/login?school_approval_token=-s8rM-6k_4rcvwgrFDZaiCp6fyd5iYtR58whVGWiNvRNhM2yDEbEuw
