Engineering Internship

Comprehensive Environmental Inc. (CEI) is a growing civil and environmental engineering and consulting firm offering engineering internships. Engineering, geology or environmental students pursuing a Bachelor’s degree in the field are needed for the summer to assist CEI’s engineers and scientists with field and office work including:

- Data collection
- Mapping
- Survey
- Spreadsheet preparation and QA/QC
- Site observation (photo documentation and activity reporting)
- Water and soil sample collection, test pit drilling
- General engineering duties
- Word Processing
- AUTOCAD and/or GIS experience a plus (i.e. redline revisions, figure/map creations)

Must have a valid driver’s license and a reliable vehicle

Locations
Merrimack, NH and Marlborough, MA

Please email cover letter and resume to hr@ceiengineers.com.
