Engineering Co-op

Location: Boston
Job Code: 84
# of openings: 2

Description

Why Choose HSH?

Now in our 28th year, Howard/Stein-Hudson Associates, Inc. (HSH) is an expanding, dynamic firm of transportation and civil engineering experts based in Boston and working throughout the Northeast. Our culture is warm, close-knit, and fully engaged with both clients and regional agencies. Our work on some of the most complex projects in Boston is driving our growth in the Northeast region.

We are an established firm of nearly 50 professionals. We are well-known in the region and enjoy close working relationships with our clients, giving you rewarding, educational experiences and opportunities for professional development.

Responsibilities:

This is an excellent Co-op opportunity for a student majoring in Engineering for six (6) months, June-December 2015. You will assist on projects in all facets of engineering projects including civil, traffic and planning. You must be flexible, have the ability to handle multiple projects with a varied interest, possess strong computer skills and enjoy learning. Attention to detail is critical.

If you are interested in becoming part of a company focused on improving cities and towns through development of private and public infrastructure, we invite you to help us build a better tomorrow by becoming part of Howard/Stein-Hudson Associates team. HSH is the kind of place where a person can make a difference.

Howard/Stein-Hudson Associates is an EEO/AA employer
