

Engineering Management Minor Application

Name: _____ Date: _____

Student ID #: _____ Email Address: _____

Major: _____ Advisor: _____ Class: _____ GPA: _____

On-campus or local address: _____

Permanent address: _____

Cell phone number: _____ Local phone number: _____

Home/permanent phone number: _____

Please list and briefly describe your recent achievements, awards or outstanding merits:

Given the limited number of slots available, admission is highly competitive. It is recommended that the application is submitted at the end of your freshman year. Transfer students must have completed at least one semester at UMass Amherst in the College of Engineering before they are reviewed. Applications are reviewed on an ongoing basis. Acceptance into the engineering major is required to enter the minor.

Please attach each of the following:

- 1) A 500 (minimum) word essay describing why you are interested in the Engineering Management Minor and how you think it will help you in your future engineering career.
- 2) A copy of your resume.
- 3) An unofficial transcript.

Return the completed application to:
