Recently posted academic job vacancies

Austria

- **Professor for Renewable Energy** PRIORITY!
  University of Applied Sciences Upper Austria School of Engineering and Environmental Sciences

Canada

- **Two Tenure-Track, Tenured Faculty Positions** PRIORITY!
  Queen's University at Kingston Department of Electrical and Computer Engineering
- **Assistant Professor in Environmental Systems** PRIORITY!
  The University of British Columbia
- **Tenure-track Position in Software Engineering with Specialization in Programming Languages**
  Concordia University Montréal and Department of Computer Science and Software Engineering
- **Tenure-track Position in Software Engineering with Specialization in Programming Languages**
  Concordia University Montréal and Department of Computer Science and Software Engineering
- **Tenure-Track position in Environmental Engineering**
  Concordia University Montréal and Concordia University’s Faculty of Engineering and Computer Science
- **NSERC Canada Research Chair Tier I Position in Software Engineering**
  Concordia University Montréal and Department of Computer Science and Software Engineering

Chile

- **Position in Mechatronic Systems** PRIORITY!
  Pontificia Universidad Católica de Chile School of Engineering

China

- **Faculty and Postdoc Positions at Beijing Advanced Innovation** PRIORITY!
  Center for Big Data and Brain Computing
• **Senior and Junior Faculty** PRIORITY!
  Guangdong Technion Israel Institute of Technology
• **Faculty and Postdoc Positions at Beijing Advanced Innovation**
  PRIORITY!
  Beijing Advanced Innovation Center for Big Data and Brain Computing (BDBC)
• **Tenure-Track Faculty Positions in Engineering** PRIORITY!
  Zhejiang University/University of Illinois at Urbana-Champaign Institute
• **Teaching Fellow - Engineering** PRIORITY!
  University of Waikato School of Engineering
• **Openings for Postdoctoral Researcher in Phase Field Simulation**
  PRIORITY!
  Institute of Process Engineering, Chinese Academy of Sciences
• **Full Professor of Control Science and Engineering**
  Zhejiang University
• **Full Professor of Civil Engineering and Architecture**
  Zhejiang University, Department of Polymer Science and Engineering
• **Full Professor of Optical Science and Engineering**
  Zhejiang University
• **Full Professor of Materials Science and Engineering**
  Zhejiang University, Department of Polymer Science and Engineering
• **Full Professor of Energy Engineering**
  Zhejiang University, Department of Engineering
• **Full Professor of Mechanical Engineering**
  Zhejiang University, Department of Engineering
• **Full Professor of Polymer Science and Engineering**
  Zhejiang University, Department of Polymer Science and Engineering
• **Full Professor of Aeronautics and Astronautics**
  Zhejiang University, Department of Polymer Science and Engineering

**Denmark**

• **15 Open PhD Positions within Supercontinuum Light Sources and Applications** PRIORITY!
  Technical University of Denmark

**Finland**
• **Doctoral Candidate Position in Modelling Wood Microstructure at High Temperatures**
  Aalto University, School of Engineering, Department of Civil Engineering

**Germany**

• **W 3 Grade Professorship Production Technology, Automation and Digitalisation of Production** PRIORITY!
  Hochschule Reutlingen
• **Fully funded PhD Positions in Natural Sciences & Engineering**
  Hector Fellow Academy, Department of Engineering
• **University Professor of Structure and Chemistry of Building Materials and Materials**
  University of Siegen, The School of Science and Technology

**Hong Kong**

• **Assistant Professor in Environmental Engineering/Science** PRIORITY!
  The Hong Kong Polytechnic University
• **Assistant Professor in Advanced Manufacturing Technology** PRIORITY!
  The Hong Kong Polytechnic University Department of Industrial and Systems Engineering
• **Associate Professor in Engineering Management (Aviation)** PRIORITY!
  The Hong Kong Polytechnic University
• **Positions at all ranks in Robotics** PRIORITY!
  Chinese University of Hong Kong Faculty of Engineering
• **Several faculty posts at full professor/ associate professor/ assistant professor levels** PRIORITY!
  Chinese University of Hong Kong Faculty of Engineering
• **Associate Professor in Engineering Management (Aviation)** PRIORITY!
  The Hong Kong Polytechnic University Department of Industrial and Systems Engineering

**Ireland**

• **Full Professor of Biochemical Engineering**
  University College Dublin

**Italy**
• **Associate Professor in Mechanical design and machine construction PRIORITY!**
  Free University of Bolzano/Bozen The Faculty of Science and Technology

• **Full or Associate Professor in Fluid machinery PRIORITY!**
  Free University of Bolzano/Bozen The Faculty of Science and Technology

**Netherlands**

• **2 open PhD and one open Post-doc position within the frame of the granted EU project “GRIDABLE” PRIORITY!**
  University Twente

**New Zealand**

• **Lecturer/Senior Lecturer/Associate Professor in Network Engineer PRIORITY!**
  Victoria University of Wellington

• **Associate Professor/Senior Lecturer in Communication Design PRIORITY!**
  Victoria University of Wellington

• **Lecturer/Senior Lecturer in Visual Effects/Animation PRIORITY!**
  Victoria University of Wellington

• **Teaching Fellow - Engineering PRIORITY!**
  University of Waikato School of Engineering

**Norway**

• **Professorship in Civil and Transport Engineering**
  Norwegian University of Science and Technology, The Department of Civil and Transport Engineering

**Portugal**

• **19 Staff Researchers and Postdoctoral Research Fellows PRIORITY!**
  INL - International Iberian Nanotechnology Laboratory

**Russian Federation**
- **Information Technologies and Computer Systems** PRIORITY!
  ITMO University
- **Nanotechnologies and Advanced Materials** PRIORITY!
  ITMO University
- **Automatic Controls and Signal Processing** PRIORITY!
  ITMO University
- **Fellowship in Optics and Photonics** PRIORITY!
  ITMO University

**Saudi Arabia**

- **Ph.D. in Applied Mathematics and Computational Science** PRIORITY!
  King Abdullah University of Science and Technology (KAUST)
- **Faculty members in Petroleum Engineering** PRIORITY!
  King Saud University in Riyadh, Petroleum and Natural Gas Engineering Department

**Singapore**

- **Tenure-track Assistant Professor in Urban Environmental Resource Management (Solid Waste)** PRIORITY!
  Nanyang Technological University School of Civil & Environmental Engineering
- **Head of the Department of Chemical and Biomolecular Engineering**
  National University of Singapore, Faculty of Engineering
- **Senior Lecturer in Unmanned Aerial Vehicle**
  Nanyang Technological University, Department of Engineering
- **Assistant/Associate Professorship of Aerodynamics**
  Nanyang Technological University, Department of Engineering
- **Senior Lecturer in Aerodynamics**
  Nanyang Technological University

**Switzerland**

- **Faculty Position in Advanced Micro-manufacturing** PRIORITY!
  Ecole polytechnique fédérale de Lausanne (EPFL) Institute of Microengineering (IMT)
- **Researcher at the Chair of Transport Planning**
  Institute for Transport Planning and Systems, Department of Transport Engineering
United Kingdom

- **Lecturer in Biomechanics and/or Bioengineering (Education and Research) PRIORITY!**
  University of Exeter College of Engineering, Maths and Physical Sciences
- **Research fellow in Plasma Simulations PRIORITY!**
  University of Surrey Department of Mathematics
- **PhD Studentship in Acoustics**
  University of Sheffield, Department of Mechanical Engineering
- **Airbus Chair in Advanced Manufacturing**
  University of Sheffield, The Department of Automatic Control and Systems Engineering
- **Research Assistant or Associate**
  Imperial College London, Departments of Bioengineering & Aeronautics
- **Research Associate**
  Newcastle University, Faculty of Science, Agriculture & Engineering
- **Chemical Engineering for PhD Scholarships**
  University College London, Department of Chemical Engineering
- **Senior Teaching Fellow in Civil Engineering Design**
  University College London, Department of Civil, Environmental & Geomatic Engineering
- **PhD Studentships in Aerodynamics and Aeroacoustics**
  Hong Kong University of Science & Technology, The Advanced Aircraft Noise Technology Center
- **Lecturer or Senior Lecturer of Structural Analysis**
  London South Bank University, School of the Built Environment and Architecture
- **Lecturer (Education) in Industrial Design**
  Brunel University London, Department of Mechanical, Aerospace & Civil Engineering
- **Lecturer / Senior Lecturer in Manufacturing Engineering**
  Brunel University London, Department of Mechanical, Aerospace & Civil Engineering
- **Lecturer/Senior Lecturer in Civil Engineering**
  Brunel University London, Department of Mechanical, Aerospace & Civil Engineering
- **Senior Lecturer / Reader in Manufacturing Engineering**
  Brunel University London, Department of Mechanical, Aerospace & Civil Engineering
• **Professor of Civil Engineering**  
  Brunel University London, Department of Mechanical, Aerospace & Civil Engineering  
• **Research Fellow in Composites Braiding Manufacturing Technologies**  
  University of Nottingham, Department of Engineering  
• **Lecturer in Construction management**  
  University of East London, Department of Engineering  
• **Lecturer in Transportation, Traffic and Highway Engineering**  
  University of East London, Department of Engineering  
• **Senior Lecturer in Civil Engineering**  
  Teesside University, School of Science and Engineering  
• **Research Associate in Motion Correction**  
  King's College London, Department of Biomedical Engineering  
• **Faculty Position in Chemical Engineering**  
  Loughborough University, Department of Chemical Engineering  
• **Postdoctoral Research Assistant in Continuum Battery Modelling**  
  University of Oxford, Department of Engineering Science  
• **Associate Professor of Food Process Engineering**  
  University of Nottingham, Engineering  
• **Research Associate in Bioengineering**  
  Imperial College London, Department of Bioengineering  
• **Research Associate in MRI acquisition and reconstruction**  
  King's College London, Department of Biomedical Engineering  
• **KTP Associate**  
  Loughborough University, Design School and The School of Civil and Building Engineering  
• **Research Associate in Silicon Detector Development**  
  The University of Manchester, Science and Engineering  
• **Research Associate in Biomedical Engineering**  
  Imperial College London, Department of Bioengineering  
• **Research Associate in Silicon Detector Development**  
  The University of Manchester, Science and Engineering  

**United States**

• **CTE Instructor – Cisco Networking and Security Technologies**  
  PRIORITY!  
  College of Western Idaho Cisco Networking & Security
- Faculty Position in the Department of Engineering Design, Manufacturing, and Management Systems PRIORITY!
  Western Michigan University
- Assistant/Associate/Professor; mechanics of solids and soft materials PRIORITY!
  University of Wisconsin College of Engineering
- Faculty, Researcher, Postdoctoral Positions PRIORITY!
  The Massachusetts Institute of Technology’s Global Supply Chain and Logistics Excellence (MIT SCALE) Network
- Faculty position in Aeronautics and Astronautics PRIORITY!
  Stanford University Department of Aeronautics and Astronautics
- Associate Vice President for Industrial and Engineering Technology PRIORITY!
  York Technical College
- Non-tenurable, PhD in Chemical Engineering, Biological Engineering, or closely related field PRIORITY!
  Montana State University Department of Chemical and Biological Engineering
- Director, St Anthony Falls Laboratory PRIORITY!
  University of Minnesota College and Science and Engineering
- Postdoctoral Associate Intelligent Transportation Systems (ITS) Lab PRIORITY!
  Massachusetts Institute of Technology

Open Rank Faculty of Materials Science and Engineering
University of Illinois at Urbana Champaign, Department of Materials Science and Engineering
